

2008 ~ 2009
ACADEMIC YEAR

PARENT VOLUNTEER OPPORTUNITIES
HANDBOOK

Dear Parents,

We welcome you to a unique partnership. With you we share an important goal to provide for your children an education devoted to academic excellence and committed to Catholic values and ideals.

We recognize the sacrifices you have made to send your child to a Catholic school. You have shown your determination to give your child more than a purely secular, relativistic outlook on learning and life. You have chosen a faith-based education in an atmosphere warmed by the powerful presence of our loving God.

Now, may we ask even more of you? We urge you to share with us your time, your talent and your prayers. There are many ways your efforts can enrich our school, whether for a few hours or on a regular basis. We hope that you will give prayerful consideration to the idea of becoming one of our volunteers. The need is great, and you will find your own life enriched as you share in the life of our school community. The close ties between family and school reinforce moral values and nurture our faith tradition.

Summerville Catholic School is committed to strengthen our students in spirit, mind and body so they may lead lives based on faith, values and learning. As we enter our twenty-fifth year of existence, the PSA and Advisory Board have determined that parent involvement and participation in school activities is not only a means to show our support for the faculty and the school, but has become absolutely necessary in order to maintain and expand many of the academic and extracurricular services offered by the school to our children.

Sincerely,
Msgr. Christopher Lathem
Lisa Tanner, Principal
PSA Executive Board
SCS Advisory Board

VOLUNTEER REQUIREMENTS

Beginning with the 2008~2009 academic year, the parents or legal guardians of each family registered at Summerville Catholic School are required to earn a minimum of 20 hours for combined volunteer services during the current academic year. Volunteer opportunities and the hours allotted for each activity are included in the PVH Opportunities List in this handbook.

A signed volunteer agreement policy must be turned into the school office as part of your registration. If you choose to fulfill your volunteer service hours rather than buying out your commitment, **all of the following requirements must be met before you are permitted to volunteer.**

1. Read and sign the volunteer's Code of Conduct and return it to the office.
2. Complete the VIRTUS class entitled "Protecting God's Children." You may register for this class online at virtus.org or on the school web site. VIRTUS training must be completed and paperwork received before you are able to work in contact with students.
3. Read the *Policy of Diocese of Charleston Concerning Allegations of Sexual Misconduct or Abuse of a Minor by Church Personnel* available on the school web site. Complete and return the Acknowledgement of Receipt of the Policy form to the office.
4. Consent to a SLED background check by completing the Diocese of Charleston Background screening forms and returning them to the office.

All of these documents are included in this handbook. Additional copies are available from the school office or from the web site www.summervillecatholic.org. Click on the *Volunteering at SCS* link. Every person wishing to volunteer must complete all four of these requirements before they are permitted to help at the school. Failure to do so will result in an assessment of the \$200 buy out fee as you will not be able to fulfill your service commitment.

Finally, here are a few reminders about volunteering. Upon arrival at the school, you must report directly to the main office to sign in the visitor's log and receive a sticker. All visitors must wear a visitor sticker while on campus. Before departing the school, please report back to the main office to sign out. Also, for safety reasons, younger siblings or young children should not accompany volunteers working at the school.

Parent Volunteer Opportunities

This list contains the type of service hours earned for various volunteer activities and their estimated time commitment. Every attempt has been made to include all activities, however as the school continues to grow additional activities may qualify for PVH. Please feel free to contact the PSA Executive Board to determine if other activities fulfill PVH requirements or if you feel the hours assigned to a completed activity are inadequate. The PVH Report Form will be used to report hours accrued and should be submitted to the office on a quarterly basis. A copy of this form is included in this handbook. Additional forms may be obtained from the school website www.summervillecatholic.org

All hours must be accrued by the end of the school year. If your PVH account is not settled, report cards will be held until the balances of the money/hours have been reconciled. If you are unable to participate as a school volunteer, you may choose to buy out of the commitment for \$10.00 per hour of \$200 per family annually. If you choose to buy out, you must submit a PVH report form with your payment. If a family situation makes completing PVH impossible, please make an appointment to discuss this with the PSA Executive Board personally and explain your situation.
