Academic Probation Policy on Sports Program Participation

The mission of Summerville Catholic School includes "strengthening our students in spirit, mind and body." This statement indicates that the first priority is spiritual development, followed by academic achievement with the third area being physical health. Therefore, students who are not achieving academically, defined as having a grade of "F" in **two or more subjects**, will be ineligible to play in any game in the sports program during the four week period following the receipt of these grades. Grades are calculated approximately every four weeks with progress reports sent home at the four week mark of each quarter and report cards sent home at the end of each quarter. Once the next set of grades are calculated and sent home, if the student no longer has a grade of "F" in two or more subject areas, the student will then be eligible to play in games. Students are required to participate in practice during the period of ineligibility if they wish to play in games when they re-establish eligibility.
